

Hopy&Pola™

호피앤폴라는 장식과 기능의 재치있는 조화가 담긴 제품을 만듭니다.

아이였던 시절 호기심 어린 태도로 경험했던 즐거운 설레임을

우리 주변의 물건들을 통해 여전히 느낄 수 있도록-

Hopy & Pola was founded in 2018 based in Seoul.

We aim to bring back playful and childhood innocence through  
delightful objects made with natural materials for long lasting quality.

As children, we were once infinitely curious about this world.

We experienced every moment with fresh eyes for the first time.

So much was interesting and new to us!

Hopy & Pola strive to bring back the excitement by breathing life  
into our objects and enabling you to connect with your inner child.

We hope you can regain your childhood imagination  
and happy experiences through Hopy & Pola.

-  
Our moniker, Hopy & Pola, was inspired by Sigur Ros' song "Hoppipolla,"  
which means 'jumping into puddles' in Icelandic.

What time is it now?

## Pear Clock

씨앗이 꽃을 틔우고 '어느 즈음에' 열매가 되듯이  
정확히 흐르지만 정확하게 읽히고 싶지 않은 장식용 시계입니다.  
씨앗두개가각자시침과분침의속도로회전하며,  
시계의주인은두개의씨앗을관찰해시간의흐름을읽을수있습니다.

Inspired by time, and how flowers turn into fruits,  
this clock brings a unique style to the genre of timekeeping.  
With the art of wood bending, the delicate and timeless Pear Clock fuses both  
traditional craftsmanship along with modern techniques.

The two seeds represent the hour and minute hands.  
You have to take the time to read the time, while enjoying the different expressions.  
Add a splash of whimsy to your home with this creative clock. It is a sophisticated  
yet fun piece of practical art that can set the mood for relaxation in your space.

## Roof Days | 2020

단풍나무 원목으로 만든 단단한 작은 집 지붕에 그림을 얹은 달력/펜꽂이/문진입니다.  
2020년에는 'More Care, More Green'을 주제로 자연과 동물 이야기를 담았습니다.  
나무굴뚝은 자석이 심어져 있어 그림을 다른 곳에 장식할 수 있습니다.  
해가 바뀌면 지붕의 달력 그림은 교체할 수 있습니다.

The roof is covered with monthly themed illustrations that highlight special days honoring our planet that deserve more attention.

The wooden chimney can be used as a memo magnet and its void can hold other pens.  
The house itself is the perfect paperweight to keep papers on your desk organized.
